CUTIE P.A.W.S. - PROVIDING ANIMAL
WELLNESS & SANCTUARY

Providing Animal Wellness & Sanctuary

Cutie P.A.W.S. is a holistic, Free roaming cat rescue and sanctuary serving Northern Nevada. We focus on saving the region's most vulnerable cats while supporting the people and communities who care for them. Our programs include TNRh (Trap, Neuter, Rehabilitate when appropriate), foster-based care, rehabilitation, senior and medical sanctuary residents, rural outreach, and crisis boarding for families in emergencies.

We believe that every cat matters, every family deserves support, and compassionate care strengthens communities.
